Elevate 2026 Exhibition Experience

A High-Traffic Layout Designed for Maximum Engagement

We are excited to unveil an early look at the general exhibition layout for Elevate 2026, and trust us, this year's experience is going to be unforgettable. After a couple of months planning and collaboration with the world-class Hotel del Coronado events team, we have secured the entire Founders Hall Event Complex as the exclusive home of the Elevate 2026 conference and exhibition. This means:

- ☑ **One unified space**
- ☑ **No separation between attendees, exhibitors, and sponsors**
- ☑ **A buzzing, high-energy environment from morning to night**

A Layout Built for Impact

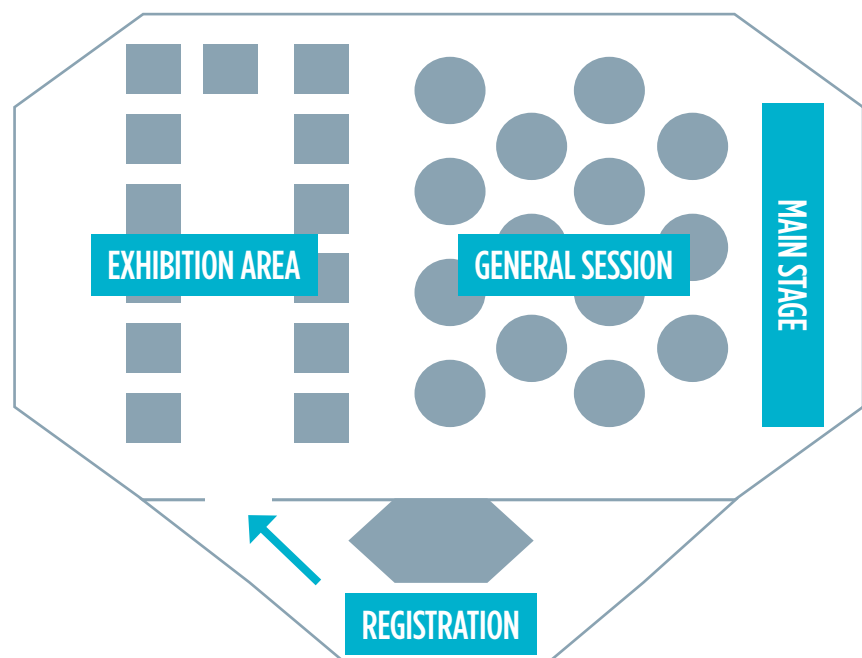

The Founders Hall Event Complex has been designed with intentional flow to elevate every exhibitor and sponsor.

- **An Immersive Experience:** A fully connected Exhibit Hall and Main Stage General Session ballroom will bring the ultimate conference flow, creating one seamless, high-energy environment. This design keeps foot traffic constant, engagement high, and the Elevate experience unified and electric, exactly the way it should be.
- **Mandatory attendee pathway:** Every attendee will walk through the Exhibit Hall to enter the General Session. That means every keynote, breakout, and major session guarantees full foot traffic directly past your booth.
- **Visibility + Engagement + Foot traffic:** By anchoring the entire conference inside the Founders Hall Event Complex, exhibitors and sponsors are positioned in the true heart of Elevate, where every attendee interaction becomes an opportunity.
